Poipu Beach

Membership

Our club has done a good job with recruiting and retaining members. In the pandemic times, we added 3 new members: 2 of whom were recruited by other members, 1 who came to us organically. More interestingly, 2 of our new members are son and mother, and they did not know the other was a member.

We have held ongoing Pau Hana events in the evenings for our membership. These events, held with social distancing and masks, have proven to be helpful in keeping existing members engaged with each other. Events have been held at a restaurant run by one of our members, a local wine shop, at a beach pavilion, and more.

Rotary Club of Upcountry Maui (Medium Club)

The Rotary Club of Upcountry Maui has performed four club assemblies this year on July 31, 2020, September 11, 2020, November 6, 2020 and February 2, 2021. I have attached the club assembly notes top this as well for your review. We started the year with 25 active members and as of date we currently have 33. At the beginning of the year, we stated we would have 32 by the end of the year. We have surpassed our goal and have potential for at last 4-6 new members before the rotary year is over.

During these virtual times, we have found that people want to help and still find a way to get together. Initially we started our Zoom Meetings in March 2020. After a few months, we were doing hybrid meetings with in-person (up to 10 people) and virtual. Once the outbreak ramped up in Hawaii, we went back to virtual-only meetings.

One of the main things that keep our club strong is our service projects. We have been able to continue doing projects with social distancing and a few get together (like our holiday party) which has allowed our members to stay in contact and bring in new members. A lot of our new members joined because of the service projects they participated in like digging trees at Unko George's for the tree planting and playground cleanup and painting at Giggle Hill in Makwao.

Once a member joins, we provide them with an orientation and a member sponsor that keeps in contact with them. If we haven't seen or heard from a member in awhile, we make sure we follow up with them and do a "check-in". We have a duty roster and in our duty roster we include: rotary moment, club info, rotary info, vocational minute, membership minute, foundation minute and joke or thought. By assigning new members to these duties and especially giving them an opportunity to showcase their vocation has helped. This keeps them engaged and knowing what's going on with rotary and the club.

One of our former members, Mathew Paet, left for the mainland when his daughter needed a transplant and they just came back last year. Once he returned, he came back to our club and been an amazing contribution. He is a firefighter and owns a food truck so we have been giving him food business and he has done a few presentations for our youth about firefighting and logistics.

Along this line, we also provide Skills Workshops twice a month on Wednesday's at 4PM HST. These have been great for our existing members to showcase their skills and/or professions. We have had members do a sourdough bread class, how to make poke, and even the president of the Maui United Way, Nick Winfrey, who is also a member, talked about the non-profit sector for us. We started to offer these workshops to non-members and are getting more interest in people wanting to join us as a member and not just a speaker.

We have a diverse group of members. Our newest members range between early 30's to late 50's and we had brought in 6 new women and 2 new men into our group so far. One of our goals is to keep our existing members involved and to get the new members engaged. By having these workshops, service projects and small gatherings, has helped us to maintain this goal.

Rotary Club of Windward Oahu Sunrise

Club Division **Large Club** **Medium Club** **Small Club**

Narrative: Membership

As a club we focus on friendship and fun. The in-person meeting restriction imposed by the need to isolate actually opened up a great new avenue – Zoom meetings. Ours consist of a well-organized PowerPoint presentation by our president that includes agenda items, upcoming projects, special announcements, and member recognitions. Members and guests are encouraged to interact and dialogue.

As a result of Zoom technology, we were able to not only continue with weekly meetings but also to have greater participation by both our members and those from other Hawaii and even mainland clubs. Many of our busy guest speakers have appreciated the ability to participate remotely.

Typically once a month we do not have a guest speaker so that the Club can have time to share, reassess the direction we are taking, evaluate/provide feedback for what has been done and share vision/ideas for upcoming service projects or gatherings. We also open our Zoom meetings 15 minutes early so that Club members, the guest speaker, and visitors can “talk story” before the meeting begins.

Realizing that not all of our members are technologically savvy and may have other issues with online meetings, we began a phone reach out project at the beginning of the new year. Regular attendees are assigned another member to call for phone fellowship. These “assignments” are switched monthly so as to get a good mix of member interactions.

To continue fellowship outside of meetings, we hosted a virtual Windward Rotary Holiday Party with the Windward Hui – Kaneohe, Windward Sunset, and the Hawaii Kai Club.

In the Fall, when it became possible to have socially distanced outdoor gatherings, our president and her family hosted a Friday afternoon picnic. In the new year we have had monthly outdoor Sunday afternoon Pau Hana’s at Kailua Beach pavilions (2/7/2021 and 3/7/2021).

We were able to recruit four new members as a result of existing members reaching out to their contacts and inviting prospective members to our Zoom meetings and Pau Hana activities.
