Narrative - yes

**ROTARY INTERNATIONAL DISTRICT 5000
AWARD CATEGORY: VOCATIONAL SERVICE
Rotary Club of Kapolei**

The 4-Way Test is promoted at all meetings. We have vocational talks by all new members to promote their businesses. Due to Covid, we have not been able to conduct tours of member's businesses but through Zoom we have learned everyone's business background. During this Rotary year, we have conducted three Pau Hana events where we had a chance to enjoy fellowship and to plan to mutually support our Rotarians in their businesses and professions.

We have been actively involved for almost seven years in the Hawaii Literacy Adult Reading Program and will resume our ongoing Read-To-Me program at Ho'okele Elementary School by attending a virtual Read to Me in March. We have kept communications open with all of our supported schools, while keeping our members safe.

In October we awarded two scholarships in nursing and healthcare to graduate students in college this year. The four applicants were all so impressive that we awarded two additional scholarships through the generosity of one of our long-term members. These four scholarships were worth a total of \$8000, impressive for a small club.

We devoted a meeting for a vocational talk in February from our Club Trainer. His slides were especially meaningful, showing all past projects and how our life has adjusted to this Pandemic. The theme of our Rotarians continuing to support projects through their businesses and vocations was clear.

Lifeline Fire and Security, Inc. has participated as a sponsor in our 5K Virtual Run/Walk/Paddle and they have also participated in awarding dictionaries to Barbers Point Elementary School.

Sharon Har, State Representative for District 42, is an annual speaker at our club, and provides a comprehensive legislative update after each session. Kiran Polk, Executive Director of the Kapolei Chamber of Commerce, also keeps us well informed and involved in the business community.

Poipu Beach
Vocational Service

We had several of our newer members discuss their jobs and how they work to benefit the community. One of our recent members also participated in a panel discussion about how to access some of the government funding that was made available last year.

Another member was asked to design a platform and time capsule for the recently installed statue of King Kaumuali'i in Waimea. This statue is an important addition to the Russian Fort and represents all that the king did for our island.

Rotary Club of Upcountry Maui (Medium Club)

The Rotary Club of Upcountry Maui has a vocational minute each meeting where are members can present their business and if they're retired, they can discuss their "past life". It has been great for our members to learn about what some of our retired members used to do. They have become amazing mentors to the younger business members in our club.

Our lead membership chair, Frank Szczepanski, has created and organized our Monthly Skills Workshops. These occur twice a month on Wednesday at 4pm. We have a YouTube page that has all the videos recorded if you'd like to get an idea of how they flow and what topics have been discussed. <https://www.youtube.com/channel/UC0lh4njonZpMdaaLoS2a9ng> is the link to our YouTube. There are three goals we wanted to accomplish with these Workshops. One, is to provide an opportunity for our members to provide a more thorough understanding of their business industry that we can't get in the vocational minute we do every meeting. Two, is to provide potential members an opportunity to speak and present to us and hopefully want to join our club. Three, is to provide career opportunities to our youth in case they are interested in any of these careers. For example, we had someone from State Farm present about how to become an insurance agent and/or broker and why you would want to.

Our club is fortunate to have some amazing people in important businesses on Maui. One of our members, Nick Winphrey with the Maui United Way, helped tremendously when COVID first happened, by keep us abreast of what was going with the DOE and PPE and the community. Another member, Nichole, works at Haliimaile Distillery and was able to provide hand sanitizers to our local school upcountry. We have many other members who have been able to continue as well and help us during this time.

Another area we focused on was partnerships with other organizations. We have been working with the Red Cross and Maui Hero Project to continue to provide services and education to our youth and community. I know the head of the Red Cross for Maui, Jenny Worth, joined the Lahaina Sunset Club, because she lives on the West Side otherwise you know she would be in my club 😊. We hope these potential partnership will continue more people to have exposure to Rotary and join more clubs, even if they aren't all in my club. 😊 What's great about Maui is even though someone may not be in your club, we work together well and make sure all our clubs thrive together.
