ROTARY CLUB OF HAWAII KAI
MEMBERSHIP NARRATIVE

Even though we have not done much in organizing events, for membership, due largely to Covid, we do use a lot of our activities to try and bring attention to Rotary and to entice them to join. That is how we were able to get our new member this year and we have two more that are deeply interested.

1. In person meeting dinners – very few were allowed this year. But each time we had one, we were able to entice a guest to join (only twice this year). They joined because of the speakers and the camaraderie
2. Our Social media chair, constantly posts pictures of our activities and invites them to call us and join our club.
3. Being out in the Community, like standing in front of Longs or buying the school supplies from Walmart, we have our big signs that shows these are Rotary projects and people ask us about Rotary or donate money to us.
4. The dinner we had a year ago for our Scholarship winners, we invited the parents and invited the top Ten winners of our Duck Dash and the counselor from W.C.C. who gave a presentation as to how much our contributions of scholarships to the students had increased the graduation rate. We also had a power point running in the background the entire time. Granted this was not done this year due to Covid, but we hope to do this again very soon.
5. Lastly our Duck Dash – we utilized the Givsum fund raising platform and our social Media Chair successfully enticed KHON TV to run TWO pieces about our Duck Dash and ROTary
