What was the most impactful Vocational project completed? (Describe in 200 words or less)

Our most impactful vocational project would be the continuation of our Vocational Sponsorship program. Following the fires of 2023, we started our program replacing up to \$750 of tools and equipment for small businesses and individuals. Many of our applicants lost both their homes and their businesses and the tools they needed to run their businesses. So we created an application to list an item or items that could be purchased by our club and delivered to fire victims. To date, we have helped over 109 small business owners and individuals, funding just under \$80,000 in tools. This hands on approach has allowed us to create an immediate impact in the rebuilding process of town while also sharing the magic of Rotary!
