What was the most impactful project completed? (Describe in 200 words or less)

Handbags for Hope was our most impactful project this year which we filled a new or slightly used handbag with toiletries. We present these handbags twice a year in May & we feel the impact towards the women getting a handbag is very gratifying to them as well as all of us. Community donations have come through & we will be donating a handbag filled with goodies again in November 2025.

Our club actively increased its impact and expanded reach through a variety of service initiatives. We entered 50 projects into the Rotary Club Central, ensuring visibility and tracking of our community work. Based on these findings, we launched a new community service project (save the reef sunscreen project) & engaged prospective members in hands-on volunteer work. Rotary banner displayed at event to increase public awareness.

We partnered with other community groups to maximize impact & collaborated with two or more Rotary clubs on joint efforts (Ewa Beach Rotary, Rotary Club of West Pearl Harbor & Waianae Coast Rotary Club.) In September, we conducted an education-focused service project (Read to Me), & in April, we delivered an environmental initiative we painted yellow lines at Barber's Point Elementary School as a beautification project aligned with Rotary's areas of focus.

What was the most impactful project completed? (Describe in 200 words or less)

One of the most significant and humbling initiatives undertaken by our club each year is the preparation and service of dinner at the Keauhou Shelter. We conduct this project five times annually, and in the past year alone, we have provided nutritious meals to more than 300 individuals experiencing homelessness.

What distinguishes this endeavor is our dedicated emphasis on serving wholesome, healthy meals—not merely food to fill a plate, but meals that deliver genuine nutrition and care. Many shelter residents have conveyed that the dinners we offer are the only healthy meals they receive. Their expressions of gratitude have left a profound impact on our members and reinforced the importance of delivering both compassion and quality.

This Rotary year, we have executed 14 diverse, hands-on projects, including feeding the homeless, conducting clothing drives, enhancing local schools, organizing community cleanups, supporting underprivileged kūpuna, and shopping for disadvantaged elementary school children.

Our club consistently rises to meet any need without hesitation.

The Rotary Club of Hickam Pearl Harbor proudly upholds the motto “Service Above Self.” In all our efforts, we strive to embody the true essence of Rotary—uplifting lives, strengthening our community, and providing dignity and hope to all.
