<b>TOTAL FOUNDATION MERIT POINTS (250+)</b>	<b>_____</b>	<b>475</b>

**What was the most successful Foundation campaign completed? (1000 characters or less)**

Once again this year a member of our club rode in the Honolulu Century Bike Ride to raise money for Polio Plus. He wore his End Polio Now jersey, had pictures taken with several donors and talked to all kinds of bike riders about the importance of eradicating Polio from the earth once and for all. With the help of many of our club members as well as donations directly to our club's Raise for Rotary web site, we were able to raise over \$5,000. We had not only our club members donating but also other Rotary Club members as well as non-Rotarians contributing generously to the cause. The proceeds from this campaign amounted to 70% of our club's annual contribution to Polio Plus. For several years, this bike ride to End Polio Now, has been highly successful in raising funds for Polio Plus.

**What was the most successful Foundation campaign completed? (1000 characters or less)**

The Club has developed and implemented a fun and educational club program campaign, including a PowerPoint slideshow, to help members understand the history of The Rotary Foundation, the various grants available through the Foundation and ways our members can support the Annual Fund, Endowment Fund and PolioPlus Fund, and how District Designated Funds come back to the Club to support its annual student 4-Way-Test essay and Teacher of the Year recognition at Keelilolani Middle School. The campaign encourages members to support The Rotary Foundation on a regular basis.

**What was the most successful Foundation campaign completed? (1000 characters or less)**

We held a fundraising Polio Plus Project in conjunction with a tour of the Shangri La Museum. Members and guests purchased tickets to attend the Shangri La and lunch at the Honolulu Museum of Art Cafe. A portion of the proceeds were donated to Polio Plus! Members were very excited to give in this manner and many of us agreed this trip should become an annual signature event. Club Member Mae Mendleson paid for the transportation and served as tour guide of the magnificent home.

**What was the most successful Foundation campaign completed? (1000 characters or less)**

This year the club members continued to fully support The Rotary Foundation. Our goals for the Annual Fund and Polio Plus were met and exceeded. This indicates that the club realizes the value of TRF to the projects it supports. Also the value to D5000 and the club with the funds that come back to be used for local projects. We continue to have speakers talking about TRF at most meetings. During Foundation month we had a meeting dedicated to the work of TRF. Our club also helped in the planning and support of the East Hawaii Foundation event that occurred in February.

**What was the most successful Foundation campaign completed? (1000 characters or less)**

Our focus this year was not only on raising funds for the Rotary Foundation but to enhance the knowledge of our members on the history, accomplishments, mechanics, and potential TRF offers. This first significant event was our Seaside Chat which focused on our newly inducted members to have a firm understanding of what the Rotary Foundation is and what it achieves. Foundation Month- the Chair was the speaker and the presentation focused on enhancing and reinforcing the understanding of TRF by seasoned members, refreshing orientation for all members old and new. Our club also uses Foundation moments at our weekly meetings to highlight aspects of the accomplishments made possible by the Rotary Foundation. Beneficiaries shared how the Foundation changed their lives and the community. We encourage TRF donations and encourage members by offering a matching TRF points offer and. We give our new members a jump start by donating 100 foundation points on their induction.

**What was the most successful Foundation campaign completed? (1000 characters or less)**

As President, this has been my primary focus. It's The Foundation that separates us from all other service organizations and non-profits!

RCOK's campaign was (is) to have 100% participation at \$250 per capita. With each member donation, our Club issued enough points to bring the member up to their next PH Level.

It's been a huge success!

 Always asking but in an informative inspiring way. We ask at the meetings and with personal phone calls. We presented to members a large cardboard cut-out "thermometer" which being a visual representation of our club's giving status was easy to understand and inspire members to donate right then and there. We mention our status at every meeting which also "snags" members who may have missed a meeting. We calculated that 68% of our club contributed.
