What was the most successful membership campaign completed? Why should your club be recognized as a Club of Excellence in Membership? (Describe in 200 words or less)

Our most successful membership campaign was the implementation of the Membership Success feature in ClubRunner. This feature streamlined and documented the membership process, making it easier for prospective members to join and stay engaged. By integrating features such as online membership inquiries, referral systems, and easy access to membership types and dues, we significantly enhanced our recruitment and retention efforts.

This initiative allowed us to efficiently manage membership data, track engagement, and provide a seamless onboarding experience for new members. It also facilitated personalized outreach and mentorship programs, ensuring that new members felt welcomed and connected from the start. The feature provided a user-friendly interface where members could access resources, pay dues online, and stay informed about club activities and events.

Recognizing our club as a Club of Excellence in Membership would highlight our innovative approach to leveraging technology for member management and engagement. Our success with Membership Success exemplifies our commitment to creating a supportive and thriving Rotary community that mirrors Rotary's values of service and fellowship.

Lahaina Sunrise has had a net increase of over 18% in membership growth for this Club year. Due to the Maui Wildfires, the planned All-Island Maui Club Membership Drive acheduled for August had to be cancelled. Lahaina Sunrise has not had the opportunity to plan another "drive" to showcase Rotary in our community due to obvious reasons, however the Community has seen Rotary all over the Island this past year. Rotary has probably had more exposure in the community due to hundreds of volunteer hours given by Rotarians all over Maui (and even the entire State).

Our members always wear our Rotary T shirts, hats and/or pins at events so that everyone knows that Rotary "is in the house". We've met many wonderful community members via our volunteerism and vocational grants and feel that we've have more positive reactions than ever before.

In May, our club held a polio fundraiser and membership drive at California Pizza Kitchen for Pizza for a Cause. The goal for this event was to help our members meet their polio giving goals and also hold a membership drive encouraging guests to attend to learn more about rotary and get to know our members in our club. We had over 35 in attendance with 16 non-rotarian guests! It was a great night with delicious food and great fellowship. We also were able to raise over \$1,000 in one night alone.
