Total Club Service Merit Points		325

What are your clubs best practices? Why should your club be recognized as a Club of Excellence in Club Service? (Describe in 200 words or less)

Prior to COVID, Mililani Sunrise weekly meetings were held at Leilehua Golf Course. COVID prompted the closure of Leilehua's dining facility. No other dining facilities in or around the Mililani community, could accommodate a meeting venue for RCMS. Many companies and organizations opted for Zoom to conduct necessary meetings to keep employees and members informed; Mililani Sunrise was no exception.

Holding our meetings via Zoom, coupled with a monthly in-person meeting at the local Rec Center 2, have proven to be successful, resulting in attendance in the 80 percentile. Members continue to enjoy our Inspiration and Mental Health messages, and Happy Dollars donations to announce a member's significant event, while raising money for the club. Members are kept informed via meetings, emails, and newsletter.

Keeping members Informed, Involved, and Inspired (our three I's) is key to retention.

Total Club Service Merit Points		<u>250</u>

What are your clubs best practices? Why should your club be recognized as a Club of Excellence in Club Service? (Describe in 200 words or less)

The club meets the first two weeks of each month, the third week is a board meeting and the fourth is covered by our many projects. We have interesting and varied speakers, from Work for Warriors to Global Grants, by both Rotarians and non-Rotarian persons. We've had two evening events to celebrate our Foundation Donors, a holiday event, and several breakfast socials. We held Club Assemblies in October and May. The Board of Directors meets regularly each month to discuss club business. The club president sends out a Weekly President Update listing the upcoming meetings, speakers and events. This gives members time to plan attendance and also a comfort level in what the club is doing. We had 5 board members attend the District Conference on Kauai. Our club PE did a survey of the club members asking them about their club passions and what they would like to see in the coming year.

The Rotary Club of Kapolei is a small but active club with both long time and new members, giving us a vibrancy and passion in our meetings. We have both legacy projects and new projects and nearly 100% participation from our members. We provide valuable service to our community and we have FUN doing it.

What are your clubs best practices? Why should your club be recognized as a Club of Excellence in Club Service? (Describe in 200 words or less)

- Club meetings, we encourage every member to participate in different tasks such as taking minutes, confirming venue for meeting, collect happy dollars, share announcements etc. We also have a calendar drafted in the beginning of the Rotary year where each member is assigned to bring a guest speaker per month related to the Rotary theme of that month.
- Service projects, we assess the club in areas such as budget, community needs, our member' s strengths, and ways to involve the rest of the Waipahu community in our work to increase impact. We also make sure there is something everyone can do to assist in the events to feel wanted and needed.
- Making decisions, we always strive to follow the 4-way test to make sure the decision is best serving the club as a whole. We ask all members to be flexible and available to assist in different areas when needed, and not just in the committees they are currently assigned to.
- Reach-out, when we havnt seen our members in a while, we assign a member to visit the person at their home to check in, email, phone call, or send letters to let them know we are thinking of them.

What are your clubs best practices? Why should your club be recognized as a Club of Excellence in Club Service? (Describe in 200 words or less)

RC Windward Oahu has 14 members. Out of the 14 members, three do not live in Hawaii. Thus only 11 members get a considerable amount of work done.
