What were your successful Club Experience activities completed? (Describe in 200 words or less)

This year, we've been excited to move into a permanent location at the West Maui YMCA Partnership Park, located in central/south Lahaina. The facility was newly renovated and offers a large television screen for viewing slides, along with tables and chairs. Each meeting has a professionally created slide deck and there is a summary email sent to all members with key actions/links after each meeting. We continue to have excellent speakers coming to present to our meetings which has drawn lots of community guests and new member prospects. In next year's plan, we hope to have someone focused full-time on club experience to manage speakers, Rotary on the Road, socials and special meeting topics.

What were your successful Club Experience activities completed? (Describe in 200 words or less)

We had an exceptional year of activities - balanced between meetings, service projects, social events, tours, and partnering with our sister clubs in Japan. We published the 2025-26 annual meeting / event calendar in June, covering the entire year with quarterly club assemblies, service projects and other activities - members could see the big picture and plan. Featured speakers were scheduled and promoted well in advance. Each quarter, one meeting spotlighted a current member as the speaker so everyone could know one other better. All regular meetings were broadcast live on Zoom for those traveling or unable to attend - greatly appreciated by those using it. In November we hosted 30 members and guests from our partner Hiroshima club with a full schedule of social events, two huge dinner meetings, and tours of local Japanese American sites. Four members of our partner Tokyo club visited this spring. We had

We had a Club Assembly meeting devoted to member feedback, created an action plan with information gathered and will put in place for 2026-2027 year. We had another Club Assembly meeting on projects for the new year. We have monthly Board meetings and review minutes and financials at each meeting. We promote all meetings prior to each meeting and present projects and meeting speakers well in advance.

What were your successful Club Experience activities completed? (Describe in 200 words or less) The Rotary Club of Honolulu Sunset had an outstanding year in Club Service, focusing on member engagement, fellowship, leadership development, and sustainability. We increased membership growth more than 20%, but because we lost multiple members due to death, relocation, and family circumstances, we only had a net gain of 1. The club hosted numerous fellowship activities, including fireside chats, cultural outings, holiday celebrations, and social gatherings that strengthened relationships among members and prospective members. We maintained an active meeting schedule with engaging speakers and strong attendance. New members were integrated through mentorship, service opportunities, and leadership involvement. A new partnership with the Ritz-Carlton led to twice-monthly participation at The Pantry, helping distribute food to families in need. Communication remained a priority through weekly newsletters, regular website and social media updates, and recognition programs such as Rotarian of the Month. These efforts created a vibrant, engaged, and sustainable club culture.

What were your successful Club Experience activities completed? (Describe in 200 words or less)

Honolulu Sunrise intentionally reimagined the club experience this year, balancing innovation with the traditions that have shaped our club. Under the District's first duty-based Co-Presidency, Gina Inoue and Karyn Lee divided leadership responsibilities according to their strengths, creating a sustainable leadership model that reflects today's busy professional lives while ensuring continuity and shared accountability. To better meet members where they are, we transitioned from weekly in-person meetings to a flexible monthly cadence of one in-person meeting, one Zoom meeting, one Rotary on the Road experience or service project, and one Breakfast Social. The Breakfast Social maintains our regular meeting day, time, and location while fostering deeper relationships through intentionally assigned seating and conversation. We also strengthened communication by launching ClubRunner Nova, introducing weekly text updates, and providing printed meeting handouts with upcoming events and QR codes for additional information. Quarterly Club Assemblies, an annual Board Planning Meeting, Downtown Hui participation, and new collaborations with Metro Rotary have further strengthened member engagement, leadership, and interclub partnerships.

Built trust in leadership by having monthly board meetings and more transparency in overall operations of the club. We began the year by cleaning up our membership lists including our club email group to assure communication was clear and consistent with all members. Created time during club meetings for members to share their "Rotary Why" and discuss other aspects of the Rotary involvement. Encouraged a monthly lunch meal mixer involving 4 members to build better connections.

This year at the Rotary Club of Hilo, we really focused on bringing fresh energy to our club experience and communication. First, we upgraded by moving the traditional Lava Flow newsletter over the CLubrunner bulletin platform, which made it a lot easier to keep everything in the loop about upcoming speakers and projects. To make our weekly meetings more welcoming and fun, I got newer members involved right away by recruiting them to be greeters. We also added some great new people to the Lava Flow team and lined up a massive variety of engaging speakers throughout the year. The feedback from the club has been positive, the meetings have been lively, organized and inclusive.

The Rotary Club of South Hilo maintained current club bylaws, attended PELS, District Learning Assembly, Club trainings, maintained an active website and social media presence, submitted required reports to the District, prepared an annual budget, participated in district meetings, conference and international conferences. We also held monthly Board of Directors meetings and reviewed and updated the club's strategic plan.
