Members are encouraged to share their life experiences at social events (Pau Hana) and Happy Dollars. Guest speakers introduced a wide variety of subjects at Club meetings. These included current issues affecting the residents of Maui County and Hawaii, historical information on Maui during WW2, sports camps for youth, assistance for visitors and their families, and the perpetuation of the arts. Rotary on the Road (field trips) took members to a Native Plant Nursery, a farm housing abused women and their children, and Assistance Dogs in training. These activities are publicized on our website, in the press and on social media. Members assisted with events organized by other organizations, including the Pacific Whale Days Parade, Ocean Front Marathon, Maui County Fair, planting Peace Poles and trees. There

What were your successful Club Experience activities completed? (Describe in 200 words or less)

We addressed a key need - ensuring members feel connected, informed, and empowered to participate. This was achieved through a balanced calendar of service, fellowship and development opportunities., consistent multi-channelled communication systems including email, text, newsletters, and social media, and Structured After Action Reports (AARs) to evaluate and improve events. These practices resulted in high participation, strong relationships, and continuous improvements across club activities. Members were also empowered through leadership pathways, with opportunities to serve on committees and lead projects - strengthening both engagement and succession planning.
