There is an error in the calculation, as we had 7 new or increased level PHF, for a total of 400. We have a ceremony for each time we have a new PHF or someone achieves a new level. The Foundation Chair reviews our giving level once a month at a meeting, and we highlight Foundation grants and activities. We actively participate in both District and Global grant programs, benefiting our local community and replanting trees lost in the August 8 wildfires.

We continually promote the benefits of donating to TRF and how our donations return to our club in the form of Grant money which helps our local communities. Our donations help Ri support international programs while our communities that we serve benefit from District Grants. We had several speakers like Governor Nancy Cabral, Dave Mozdrin, Roz Cooper and Del Green. We had 3 major donors and 2 Paul Harris which inspires our members.

 additional 100 points for direct signups needs to be added to total. System not calculating.

We built a culture where giving is informed, meaningful and connected to outcomes. Through Foundation project updates members gained a clear understanding of how their contributions support global initiatives in health, education and community development. The club supported Annual Fund contributions and Global Grant 2685623 directly advancing sustainable outcomes internationally. Impact includes increased awareness and participation, direct contribution to sustainable global initiatives and stronger alignment between local service and global impact. This approach is sustainable because it embeds the Foundation into the club's culture - not as a separate initiative, but an extension of Rotary's service mission.
