Our partnership with Dole Middle School and its Interact Club addressed both environmental and developmental needs, improving campus conditions while building youth leadership capacity. Rotarians and students worked together across multiple projects, including sanding and painting 24 benches and tables, power washing facilities and installing math decals. Feedback from school leadership confirmed a noticeable positive response from students. The project stands out because it delivers dual outcomes - immediate physical improvement and long-term leadership growth. By investing in both environmental and leadership development, Rotary HPH is shaping future leaders while improving present experience. This is a Youth service project that goes beyond support - it builds capacity, confidence, and connection.

The Interact Club at Kealekehe High School held a joint meeting with the Interact Club in American High School in Pristina, Kosovo via ZOOM; many great ideas were shared.

Several Interact Club students assisted with clean up at Kona Brewers Festival.

Four Interact Club students assisted with the Kona Community ConnectFest; specifically two students manned the Kona Choral Society table when the Society member had to leave for an emergency.

While the Sunrise Club did not actively sponsor a student for RYLA, we did provide transportation to and from Kileaua Military Camp for several youth.
