What were your successful Club Experience activities completed? (Describe in 200 words or less)

Our club fostered an engaging and inclusive environment this year by ensuring our regular meetings. We actively prioritized a welcoming atmosphere for prospects and new members through intentional learning and dedicated greeters. To keep our fellowship strong, we also made it a point to acknowledge members birthdays and anniversaries on a monthly basis.

We held regular Board of Directors meetings and conducted three Club Assemblies to address relevant topics, while keeping our website and social media up-to-date and fully Rotary Brand compliant.

Furthermore, our members showed a strong commitment to growth and connection. At least 10% of our club engaged with the District Club Leadership Learning Seminars in March and April 2026. We also saw excellent fellowship and representation beyond our regular meetings, with seven members registering for the 2026 District Conference and one member attending the Rotary International Convention.
