What was the most impactful Vocational project completed? (Describe in 200 words or less)

Our most impactful Vocational project was a site visit to member Averie's workplace—a private aircraft hangar overlooking the HNL runway. This immersive visit brilliantly highlighted the multi-layer, multi-faceted operational details required to maintain safety and precision in the aviation industry.

Club members received a first-hand look at a Live aircraft undergoing rigorous maintenance, offering a profound appreciation for the high ethical and technical standards demanded of aviation professionals. By stepping out of the traditional meeting space and onto the tarmac, our members connected deeply with the real-world application of vocational excellence, sparked meaningful dialogue about safety culture, and underscored Rotary's commitment to honoring and understanding diverse professions in our community.

Rotary Means Business Westside Club Mixer – Over 80 non-Rotarians signed up and the event was attended by 80 plus. All four Westside Clubs participated – Waianae, Kapolei, Ewa Beach and West Pearl Harbor, including our AG Pala Walpola. We held this in conjunction with the Kroc Center and The Salvation Army, and the feedback has been fantastic.
