

Sandalwood Tree Planting Project

Sponsored by:
Rotary Club of Maui

**Join us in our efforts to re-establish the fragrant
Sandalwood trees throughout Maui!**

During the 1800s, the fragrant Royal Sandalwood "Iliahi" became a valuable trade commodity, becoming quickly over-harvested. Thanks to conservation efforts, these incredible Sandalwood trees are able to make a comeback.

**To support this project, a donation of \$75 will ensure the
planting of a Sandalwood tree, with the option to
dedicate your tree to someone special.**

We are also seeking volunteers to help plant trees!

Please email heathermaymueller@yahoo.com or call 808-446-3545 to sign up.

**Sunday, Nov. 6th 2022 - 12 P.M.
@ The Kwock Hing Building
178 Middle Rd., Kula, HI 96768**

Donors: Please complete the attached forms and mail to:
Rotary Club of Maui, PO Box 2086, Kahului, HI 96733.
Payment can also be made on-site at the event.

Rotary Club of Maui Sandalwood Tree Planting
