

# Please help support both our club, Rotaract E-Club 'Ohana (RECO), and The Institute for Human Services Hawai'i (IHS).

RECO seeks to unite people around the globe and provide service to our local communities. Rotaract in general is a club that is aimed at young professionals looking to expand their networks and foster international relations through community service. There are over 10,000 clubs in 184 countries. Our club in particular aspires to show that anyone can be a part of an 'Ohana no matter how far you are, and together we can make a difference no matter how small it may seem at the moment. With the funds raised, we will use it towards supporting other non-profits and working to make our events more impactful on the community.

For each fundraiser, our club votes on a specific organization or cause to donate our proceeds to. For this fundraiser, our members voted for IHS Hawai'i. IHS is a nonprofit organization with a mission to provide homeless people services that give them "greater self-direction and responsibility." They provide meals, housing, outreach, health, employment and case management services for homeless people in Hawai'i. RECO supports this cause because homelessness is currently a major issue in Hawai'i and we want to do our part in addressing this issue.
