### Help ensure no child goes hungry when SNAP benefits

The Rotary Club of Downtown Honolulu meets weekly at Ke'elikōlani Middle School (KMS) and works closely with students, families, teachers, and administrators to strengthen learning and community well-being.

At Ke'elikōlani Middle School, over 200 students (nearly 60% of the student body) come from families who rely on SNAP.

The Rotary Club of Downtown Honolulu is organizing an online fundraiser to provide immediate food assistance for KMS students and their 'ohana while the federal shutdown continues. All funds raised will go directly toward groceries and essential household items, purchased and distributed in collaboration with KMS staff and community partners.

Through this fundraiser, we aim to ensure that every KMS student and family feels supported, nourished, and valued during this challenging time.
