## Rotary Grant Center

Welcome to Rotary grants! As Rotary members, we contribute our skills, expertise, and resources to solve some of the world's most serious problems. From providing clean water in local communities to promoting peace worldwide, Rotary grants can bring your project ideas to life.

Use the Rotary grants tool to apply for a grant, track its progress, report on it, and search for other grants in your district.

### Types of grants

The Rotary Foundation offers grants that support humanitarian projects, scholarships, and vocational training teams. Here's an overview:

**Global grants** support large international projects with long-term, sustainable outcomes in one or more of Rotary's areas of focus. They range from \$15,000 to \$200,000.

**District grants** fund smaller-scale, short-term projects that address immediate needs in your community or abroad.
