Your District In Peacebuilding

Adopt peace as one of the areas of focus during your term of office.

Volunteer to be your District Chair of Peacebuilder activities who will help clubs recruit Rotary Peace Fellows and support club level peace projects and activities.

Plan learning opportunities that will inspire and prepare clubs and Rotarians within your district to become effective agents and/or contributors to peace.

Become a Rotary Centers Peacebuilder District. Districts that allocate US\$25,000 per year or \$50,000 every other year from their District Designated Funds to support a Rotary Peace Fellow will be designated as a Rotary Centers Peacebuilder District.
