

## ***One Day. One Focus: Ending Polio***

*Throughout the fight to end polio, it has been shown what can be done when we draw on our collective strengths. A polio-free world is possible, but we can achieve it only by taking action—**together**...*

1. Create awareness within your club and community.
2. Have a fundraiser to support our World Polio Day / End Polio Now efforts.
3. Attend District 5000 World Polio Day event on Sunday the 24th of October from 9–11 am.
4. Attend Rotary International live streamed World Polio Day program on October 24th
5. Join the PolioPlus Society—Today.

*Funding is crucial to completing this fight and eradicating polio. We must:*

- ◇ **Continue** to immunize more than 400 million children against polio every year.
- ◇ **Improve** disease surveillance systems to detect any poliovirus in a person or the environment.
- ◇ **Hire** more than 150,000 health workers to go door to door to find every child..

*If polio isn't eradicated, within 10 years, hundreds of thousands of children could be paralyzed. Global health care costs would rise dramatically, and the quality of life for people affected by the disease would be drastically diminished.*

***Thank you for your continued support to 'End Polio Now'.*** You donations save lives and give children a chance at a healthy future.

*And, the impact of your giving is tripled... The Bill & Melinda Gates Foundation matches every \$1 you commit to polio eradication 2-to-1, up to \$50 Million per year.*

**\$100** Your PolioPlus Society membership

*Join Rotary District 5000 World Polio Day Celebration on Sunday the 24th of October, 9am—11am.*
