

WORLD POLIO DAY

IS 24 OCTOBER endpolio.org | [#endpolio](https://twitter.com/endpolio)

One Day. One Focus: Ending Polio

For more than 30 years, Rotary and our partners have driven the effort to eradicate polio worldwide. Our *PolioPlus* program was the first initiative to tackle global polio eradication by vaccinating children on a massive scale. As a core partner in the *Global Polio Eradication Initiative*, Rotary focuses on advocacy, fundraising, volunteer recruitment, and awareness building.

Join us:

- ◇ And be a part of a global health legacy
- ◇ And take action in the global fight to end polio
- ◇ And a part of in making polio only the second human disease ever eradicated
- ◇ In achieving a polio free world. We can achieve it only by taking action ‘together’.

Learn;

- ◇ Where we are in the fight to end polio
- ◇ How Rotary and its’ partner have reduced polio cases by 99.9% since 1988
- ◇ How no child should have to suffer from a vaccine-preventable disease
- ◇ That only two countries continue to report wild polio cases and how Rotary believe we can shrink that number to zero.

Donate:

- ◇ How we are tripling the impact on ending polio with every donation made
- ◇ How our contributions help Rotary and its partners reach every child with the polio vaccine to protect them from the paralyzing disease.
- ◇ How you donations are saving lives and giving children a chance at a healthy, polio-free future.

Donate your Time:

Ending a disease is a massive effort and Rotary and our partners can’t do it alone. Learn and share how you can join us in our efforts to end polio....

Donate your Funds:

We’re closer than ever to eradicating polio but we’re not done yet. We still need funds to continue immunizations and surveillance efforts. Your gift **‘will’** get us closer to the finish line.

Donate to End Polio | End Polio

Donate your Voice:

We **‘need’** your voice to help us end polio now. Get involved and spread the message so that we can end the second human disease in history.

“Raise Awareness”
