Southwest PETS

Dear Club President-elect,

Welcome to your President-elect Training Seminar, one of the most important and enjoyable training events you will ever attend in Rotary.

As a club president, you play a vital role in the success of your club. Your guidance, and your example, are essential in getting the members of your club to be enthusiastic, engaged and excited to make a difference in their community, their world, and themselves.

We all feel the impact that Rotary service and Rotary values have on us... now it’s our opportunity to share that feeling with others. This is a year to Imagine Rotary by envisioning a world that deserves our best, where we get up each day knowing we can make a difference. We don’t imagine yesterday, we imagine tomorrow. We imagine a world without polio, with clean water for everyone. We imagine a world free of disease and where every child learns to read. We imagine kindness, hope, love and peace.

Imagine how each of us, as leaders, can create a club experience that is welcoming, inclusive and enjoyable for each and every member, and attractive to those who have yet to join us. The comfort and care of our members is the single greatest driver of member satisfaction and our most powerful tool to keep our members engaged in our clubs.

If we serve our members, we serve our communities. If we provide comfort and care for our members, we help them to truly “get” the power of Rotary.

This training seminar will provide you with the information and skills you’ll need to succeed as president of your club and to help create the greatest impact in our clubs and in the world. I hope that you will leave this seminar feeling full of confidence, knowing that you are prepared to guide your club in setting and achieving ambitious goals for the Rotary year to come. With your leadership, your club can and will strengthen your community, make the world a better place for all who live in it, and make a difference in the lives of your members.

Congratulations on your election as club president. I look forward with you to a year of great accomplishments as we Imagine Rotary.

Warm Regards,

Jennifer Jones
President, Rotary International, 2022-23
Welcome Presidents-Elect and Rotaract Leaders,

Your President Elect Training Seminar (PETS) “Experience!” has begun! Your next three days will be filled with information and fellowship. Your PETS team has spent the last 12 months preparing for this one weekend with nothing but your success in mind. Give me a moment to tell you how to get the most out of this experience!

Your Education Committee has developed curriculum using “Rotary Relevance” as the lens through which all topics were selected. Why is it important for Rotary to be relevant? The simple fact is that people support and join issues and projects that mean something to them, and that are relevant to them. If you want your Community to recognize your work, and want your Club to grow, you need to be relevant. We want to help you with this.

We have provided opportunities to interact with your classmates and we encourage you to do so! Information comes quickly at PETS and it truly does help your own retention process if you discuss what you’ve heard with others. Feel free to drop into the Boardroom any time for a chat or just to compare notes with friends. We want you to use the information you have gathered this weekend to improve Rotary’s overall relevance for your Club and for your members.

Your PETS experience will also include the rare opportunity to meet and interact with Rotary International leadership. Rotary International President Elect Jennifer Jones will be attending as will Rotary International Director Vicki Puliz. Nick Taylor, RI Club and District support, and Julie Aubry, RI regional membership officer, will also attend and provide you the latest research and information available to assist you in providing your Club members a relevant and positive Rotary environment week after week.

We welcome you! We have prepared for your stay. And we have developed a program of excellence that will guide you in the direction of relevance and success. We are excited about the work you do for Rotary. Your job this weekend is to engage your leaders and colleagues, to ask questions and assemble the information in ways that are meaningful and effective for you. We also ask that you be willing to share your experiences and opinions to enrich the discussion whenever you can. So enjoy the stately accommodations and delicious meals provided by the Marriott, pull every ounce of information you can from your moderators, facilitators, and speakers, and prepare yourself to be the most relevant leader your Club has ever experienced. Welcome to PETS 2022!

Warmest Regards,

Bob Duistermars, Chair

**Saturday Breakfast Speaker: Henk Rogers**

**Henk Rogers:** From international gaming phenomena to game-changing initiatives, Dutch-born entrepreneur and innovator Henk Rogers continues to pave the way in regenerating our home planet and working toward establishing permanent human settlements on the Moon and Mars.

Starting his career in computer gaming more than three decades ago, Rogers revolutionized the industry by creating Japan’s first Role-Playing Game (RPG) and later bringing the legendary game, Tetris, to the world.

Since then, Rogers has dedicated his career to research, development, advocacy and implementation of renewable energy sources in his adopted home of Hawaii.

His Blue Planet Foundation (BPF) based out of Honolulu, has led efforts to pass the nation’s first 100 percent renewable energy mandate, requiring the State of Hawaii to commit to switching to 100 percent renewable sources of electricity by 2045.

His newest initiative, Blue Planet Alliance (BPA) based out of New York City, is expanding BPF’s “mandate first, business model second” approach worldwide. BPA is driving global systemic change by developing projects that change behaviors of people, companies, towns and countries, toward sustainability.

Rogers continues to explore renewable energy and space settlement opportunities through his Blue Planet Research, which conducts R&D at his off-grid ranch on Hawaii Island.
Brady Connell is a past president of the Playa Venice Sunrise Rotary Club. For district 5280, he has served as an Assistant Governor, as a Membership committee and Policies & Guidelines committee member, and was chair of the Habitat for Humanity program in which 12 clubs performed over 1600 volunteer hours to build 10 homes for deserving families in Los Angeles.

As Senior Assistant Governor, Brady works with clubs large and small to help strengthen their memberships. He has conducted workshops, served as guest speaker at dozens of clubs throughout Zone 26-27, and was a keynote speaker for the district 5280 Foundation Celebration.

During his 35 year career as a television producer and director, Brady traveled to over 50 countries and all 50 U.S. states to document wildlife, natural disasters, and stories of everyday people. His credits include Extreme Makeover: Home Edition, The Great Christmas Light Fight, Survivor and The Amazing Race. During his time as Executive Producer of Extreme Makeover, his team built family homes, community centers, health clinics, and homeless shelters. They paid off mortgages, started dozens of businesses for homebound families, and distributed over one million dollars in scholarships to students of all backgrounds and ages.

Brady has been a Big Brother of Los Angeles since 1990, and resides in Marina del Rey, CA with his wife Lauri Chryss (also a television producer) and their two children.
RID Vicki Puliz currently serves as the Rotary International Director for the term 2021-2023. A proud member of the Rotary Club of Sparks, Nevada, Vicki served as club president in 2004-2005, as Governor for District 5190 in 2013-2014, and as a Rotary Public Image Coordinator 2016-2019.

Vicki’s passion for leadership development has led to involvement in many aspects of education and development including District Trainer for District 5190, International Assembly Training Leader, Governor Elect Training Seminar (GETS) chair, and faculty and Education Chair for Far West President Elect Training (PETS).

Her most impactful experiences in Rotary are those involving youth: Rotary Youth Leadership Awards (RYLA), co-creation of a leadership program for 12–13-year-olds, Rotary Youth Exchange, and introduction of experiential team building processes to a RYLA camp in Benin, Africa.

Vicki and her husband Tim participated in a National Immunization Day in northern India in 2009. Giving those two precious drops to a 2-year-old child at a train station in Moradabad and other life changing experiences of the NID made polio eradication very personal to them both.

Vicki graduated from the University of Utah with a Marketing degree and Master of Business Administration and went on to own a commercial electrical contracting firm in northern Nevada for 19 years before merging it into a public traded entity.

Vicki and Tim live in Reno, Nevada, at the base of the Sierra Nevada Mountains. Their blended family includes seven adult children, nine grandchildren, and three Rotary Youth Exchange daughters. Their interests include outdoor activities and general aviation. Vicki and Pilot Tim are members of the International Fellowship of Flying Rotarians. They support Our Rotary Foundation as Major Donors and members of the Paul Harris Society, Polio Plus Society, and the Bequest Society.
RIPE Jennifer Jones is the Founder and President of Media Street Productions Inc., a twenty-five-year old, award-winning media company in Windsor, Ontario. She is a proud member of the Rotary Club of Windsor-Roseland.

Her talents have strengthened Rotary reach and impact, through many roles including as Trustee of the Rotary Foundation, RI Vice President, and co-chair of the *End Polio Now: Make History Today* campaign, raising funds alongside Bill and Melinda Gates and their Foundation.

Jennifer is a leader in cultivating “experiential fundraising” opportunities such as Rotary’s Polio Golf Day with Jack Nicklaus in Jupiter, Florida, USA, which raised over $5.25 million for polio eradication in one day. Or, the innovative, virtual COVID-19 #RotaryResponds event that raised money for COVID-19 relief projects and showcased Rotary’s response across the globe.

Working alongside political figures, celebrities and global leaders, she uses her voice to raise awareness and hundreds of millions of dollars to eradicate disease, support peace and provide clean water and sanitation in developing areas of the world. Her skill as an expert storyteller inspires hope and promise and motivates people to take action.

She has received many honours and recognitions including Rotary’s Service above Self Award and the Citation for Meritorious Service, the YMCA Peace Medallion, the Queen’s Diamond Jubilee Medal, and Wayne State University’s Peacemaker of the Year Award – a first for a Canadian.

Jennifer is married to Rotarian Nick Krayacich, a local family physician. They share a love for many things including travel, cycling, golf and relaxing at their family cottage; and they share a thirst for adventure, which has included cresting the summit of Mount Kilimanjaro in Tanzania, Africa.
CONGRATULATIONS!!

A Message From Your District Governors-Elect
To our 2022-2023 Club Presidents-Elect

The 2022-2023 Southwest Rotary PETS Governors-Elects would like to congratulate our Presidents-Elect on your decision to serve your clubs and communities during the 2022-2023 year as Club President. It was not destiny that brought you to this point, but rather, your courage and desire to make your own destiny and push forward.

During your first club meeting, you will not just be opening the meeting and ringing a bell. You will be opening the door to new opportunities, new club achievements, member growth and development, and engaging the hearts and passions of your membership to make the world and your communities a better place.

Learn all that you can, share all that you can, and partner with your classmates all that you can— together you are stronger and more impactful.

Wishing you much success on your journey! Remember: IMAGINE ROTARY!!!
