

ROTARY ACTION GROUPS

Rotary Action Groups are independent, international, Rotary-affiliated groups whose members have expertise and experience in a particular area of specialization. Aligned with Rotary's priority to increase humanitarian impact, they use their knowledge and passion to help clubs and districts plan and carry out impactful service projects. Each group oversees its own governance, membership, and activities in accordance with RI policies.

JOIN AN ACTION GROUP

- Membership is open to any individual. Rotarians, Rotaractors, and Peace Fellows can serve in leadership roles.
- By joining a Rotary Action Group, you can use your professional skills to advise on meaningful service activities outside your own club, district, or country.
- Rotary Action Groups provide networking opportunities with likeminded individuals from around the world.

PARTNER WITH AN ACTION GROUP

- Connect with potential project partners, both within and outside of Rotary.
- Receive help fundraising for projects.
- Customize a group's signature project framework to implement locally.
- Enhance your clubs' or district's impact and strengthen communities.
- Invite local members of Action Groups to join your District's Resource Network.
