Be a gift to the world

Rotary District Governor,
Joe Gitta

Come join the **fun** and help us out with a service project at our annual Rotary District Conference! For only **quarters**, you can help feed those in need through your own local food pantry!

Our Goals

- 20 clubs to participate
- \$250 donated by each club
- 20 clubs @ \$250 each = **20,000 meals!**

Meals will be distributed according to each club's wishes by the Northeast Iowa Food Bank in the area they serve. Clubs are welcome to deliver meals themselves if outside of the NEIFB area. You can also donate your meals to the Shoebox Project to send meals to undernourished families overseas.

How You Can Help

- **Have a Quarter Drive!**
Or solicit funds from members or club funds
- **Come Pack!**
Choose one of two times on Saturday, May 7th:
