MESSAGING GUIDELINES
Why we’re strengthening our image

For more than 100 years, Rotary has united leaders committed to applying their expertise to better their communities. Despite over a century of impact in communities around the world, Rotary does not get the recognition it deserves. We need to rethink how we tell our story so people everywhere understand what Rotary stands for, how we’re different, and why it matters.

In 2011, Rotary embarked on a multiyear initiative of unprecedented scale to strengthen our image. In addition to expanding public understanding of what Rotary does, we want to motivate, engage, and inspire current and prospective members, donors, partners, and staff.

What we’ve done

To tell our story better, we first need to define its essence to identify how Rotary is different from other organizations. Based on extensive global research, we:

- Defined our essence to identify how Rotary is different from other organizations
- Brought our values to life to ensure our actions support our words
- Established our voice to reflect our distinct character
- Clarified how we present our offerings so people understand what we do and how they can engage
- Refreshed our visual identity to energize our look and feel while celebrating our heritage

What we need to do

Bringing our story to life is our next charge — and one that requires champions across levels, groups, and functions.

We are Rotary, and we have a great story to tell.

It’s up to all of us to protect, promote, and deliver on that story in all our interactions.

This guide will help you apply our new look and voice. More resources will be available online in the coming months. Look for new tools and templates that will help you apply our new look to your brochures, PowerPoints, and other print and digital communications.

Through a unified Rotary image and message, we’re not just enhancing our reputation, we’re elevating the entire Rotary experience.

**Our Values**

**What are “values?”**

Values drive our behavior. They represent our beliefs, what we do, and how we act.

**How did we define our values?**

Our values are rooted in guiding principles that have always defined Rotary. Now, we want to bring our values to life by showing how we demonstrate them in communities around the world.

Our Voice

WHO WE ARE

What is our voice?

Our voice is the unique tone and style in which we communicate.

Why is a distinctive voice important for Rotary?

There is no organization quite like Rotary. By using a unified voice in all our interactions, we ensure our communications capture our distinct character — and how people experience Rotary. By speaking, writing, and designing in one voice, our communications will look, feel, and sound unmistakably like Rotary.

How should we use our voice?

Our voice attributes serve as a guide for how we speak, write, and design. Use them as criteria to evaluate your communications. A variety of visual and verbal tools (e.g., copy, imagery, information graphics, etc.) can help us infuse our voice into all of our communications. For details about how to apply visual identity elements, see pages 12-30.

OUR VOICE IS...  THIS MEANS...  OUR COMMUNICATIONS ARE...

Excerpt from Rotary.org

Rotary’s 108th anniversary marks a year of both achievements in the fight to eradicate polio and a stepped-up commitment to finish the job. You can help by learning how to use advocacy to encourage governments to fund the vital work of polio eradication.

Another year, another chance to make history

We’re closer than ever to eradicating polio. But even as we celebrate our 108th year of community impact, we’re reminded that there is much to do. Become an effective advocate for government funding so together we can finish the job.

• Headline is inspiring versus descriptive  
• Highlights Rotary’s persevering spirit  
• Is more compassionate and human (i.e., uses the collective “we”)  
• Has a clear call-to-action
Our Essence and Organizing Principles

Our essence provides clarity

Three core ideas provide the clarity and focus to help every Rotary member answer the question, “What is Rotary?”

1. Rotary **joins leaders** from all continents, cultures, and occupations.
2. We **exchange ideas**, bringing our expertise and diverse perspectives to help solve some of the world’s toughest problems.
3. And we **take action** to bring lasting change to our communities around the world.

By centering our communications on our three core ideas, we reinforce what Rotary stands for, how we’re different from other organizations and why it matters today. This approach enables us, as individuals, to construct a powerful elevator speech — and collectively to tell a compelling and cohesive story.

**What are Rotary’s organizing principles?**

Our essence also provides a system for how we organize and present ourselves to the outside world. By mirroring the way people experience Rotary, these principles clarify why and how people should engage with us and drive understanding.

### JOIN LEADERS

**Definitio**

Connect with leaders from all continents, cultures and occupations

**Engagement Level**

JOIN LEADERS is the entry point. This is where Rotary, Rotaract, and Interact clubs live.

**Key Examples**

- Rotary Clubs
- Rotaract Clubs
- Interact Clubs
- RYLA

### EXCHANGE IDEAS

**Definitio**

Discover and celebrate diverse perspectives

**Engagement Level**

EXCHANGE IDEAS is the next level of engagement. It encompasses events and programs where people come together to discover shared interests, connect diverse perspectives, and foster global understanding.

**Key Examples**

- International Convention
- Youth Exchanges
- Shared Interest Fellowships
- Peace Fellowships

### TAKE ACTION

**Definitio**

Create positive change in our communities

**Engagement Level**

TAKE ACTION encompasses service-related activities for highly engaged Rotarians, partners, and volunteers at both the local and global levels.

**Key Examples**

- Club-level service projects
- PolioPlus
- Rotary Action Groups
- Rotary Community Corp
**Calls-to-Action**

Together, our organizing principles communicate what Rotary does. Individually, they are also calls-to-action. In other words, they communicate that, through Rotary, you can “Join Leaders,” “Exchange Ideas,” and “Take Action.” They are intended to supplement, and not serve as, primary headlines and messages.

When developing communications, think about whom we’re targeting and what we’re asking them to do. Here are some simple things to keep in mind when applying our organizing principles as calls-to-action or a Rotary-wide sign-off.

### What we call ourselves

**We are Rotary**

“Rotary” is the connective thread that binds Rotary International and The Rotary Foundation. Rotarians naturally refer to our organization as “Rotary.” Embracing “Rotary” as our communicative name is a simple, yet critical, step to unify our organization and strengthen our message.
