Rotary Australia World Community Service

“I want to help improve women’s health in developing world communities.”

Overseas Aid Fund (OAF) facilitates practical initiatives that foster long-term change in developing world communities.

“I know an Australian in desperate need I want to help...”

Rotary Australia Benevolent Society (RABS) is one of very few charities that allow you to gather community support to relieve the suffering of an individual within your own community.

THE PROCESS IS SIMPLE:

COME UP WITH A CONCEPT

TAILOR IT TO FIT THE RAWCS CRITERIA

RAISE THE FUNDS AND SEE YOUR IDEA COME TO LIFE

“I work in education and know of some places with excess supplies - is there something I can do with them?”

Donations In Kind (DIK) collects materials rather than funds to distribute in developing world countries. Often resources, such as computers, educational resources and redundant medical equipment in Australia can be revitalised to help the needy in developing nations.
