

Fundraising has brought forth several topics for discussion in the 2025-2026 year. They include:

- Plan fundraising activities for the upcoming year
- Evaluate what goals in addition to raising money might be achieved in these activities` ` 15911
- A list of fundraising projects was shared that CI Clubs have used in the past to perhaps help with planning future activities
- Information about what Fundraising has planned for the upcoming CI Convention

A Fundraising Committee will be formed at the Convention. There will be sign up sheet for those who would like to join. Names will also be gathered of those that are not in attendance but would be a good fit for this Committee.

There will be a training on ChatGPT to help us understand how to use it. I encourage everyone to attend but especially those who are interested in fundraising. This tool can be very valuable to this committee as it develops a theme, updates the Fundraising brochure, updates the info from each Club on current fundraising activities, and plans for beyond the upcoming year.

Contact me at CI. I want to hear your ideas. What can CI do to help your Club with fundraising? Bring thoughts and ideas from your Clubs to share. I am looking forward to seeing you in Minneapolis

Nancy Trautman
