THE CLUB THAT FIGHTS DIABETES

Newsletter

December 10, 2012

Launch of the New Cosmopolitan Website

Cosmopolitan is pleased to announce the launch of our new website. This new website welcomes visitors with a clean feel and design that allows for a user-friendly experience. It contains all of the most helpful content found on the previous site in an updated, easy-to-use format. Plus, our new site now has additional features that promise to make www.cosmopolitan.org an even more valuable resource for our members. Some new additions include a Member Center that contains many of the resources members need and want. We will be updating existing information and making additions and improvements to our website on almost a daily basis so check back often.

Member login is the same easy process. However, some login names have changed to be more consistent across the board. Every member's initial password has changed. Attached to this Newsletter is a easy to read tutorial telling you how to login to the website for the first time. This tutorial, [How to Login the First Time](#), can also be downloaded from the website. There is a second tutorial available to explain [How To Change Your Password](#). Adobe Reader is required to view these tutorials. A link to Adobe Reader is on the website as well.

There are some changes in our business model that are incorporated into the new website. The changes being made will streamline the process of adding new members to your club's roster, making updates to club member data, verifying club rosters and billing practices. Your club officers will be receiving more information about these and other changes, but for the members just know your Board is doing everything they can to improve service and efficiencies while providing every member needed information and tools at their fingertips.

Check It Out!!

- The "Member Center" portion has a number of pages with helpful information such as a Member Directory, Club and Federation Search, materials to download under "CI Resources," and a list of Club meeting times and locations.
- Wondering how your Club or Federation is doing in membership? Take a look at our real time membership stats under the "Membership Statistics" portion of the "Member Center."
- We will be sending out regular Newsletters to keep you up to date with everything happening in Cosmopolitan. Let us know if there is something you would like to see.

We invite you to explore the new website. We hope that you enjoy discovering the features and that you find it easy to navigate and pleasant to use. As always, if you have any questions or problems, contact us at headquarters@cosmopolitan.org.
