SPECIAL EDITION December 2014

### Special January Board Meeting Announced - Members Invited

A special board meeting has been called for the weekend of January 24 and 25, 2015, in Omaha, Nebraska, and all Cosmopolitan International members are invited to attend.

This special meeting, "Vision 20/20" will examine the mission, values, and purpose of our organization; will assess membership challenges and opportunities; and will identify ways in which we may transform Cosmopolitan International to ensure our future success.

Our facilitator for this meeting will be George Mongon, principle of G.J. Mongon & Company ([www.gjmongon.com](http://www.gjmongon.com)) whose focus is non-profit organizational performance. George has vast international experience with non-profit organizations, including service clubs such as Kiwanis International, and has a keen understanding of our challenges and our structure.

George has offered to facilitate this board meeting at no cost for his services to Cosmopolitan. When asked why he would offer his services at no cost, he replied that he works with organizations he wants to work with, organizations he feels a connection to, a passion for. He said he feels we have tapped into only a fraction of what we are capable of, and that "when this blows wide open, I want to say I was there."
