And the  
*Winners*  
are...

Two Cosmopolitans are winners of the Fall Membership Challenge. These folks sponsored at least three new members during the contest period, October 1 through November 15. Aric Jarvis of the Columbia Luncheon Club sponsored three new members and Nancy McDaniel of the soon-to-be-chartered Valparaiso club sponsored seven – **yes, seven!** – new members. Both are recipients of the \$100 VISA gift card award. Congratulations to Aric and Nancy as well as to all other Cosmos who sponsored new members.

### Liability Insurance for Foundations

Some Cosmo clubs have formed their own 501c3 foundations and have asked whether club liability insurance covers foundations. Currently, our liability insurance covers just US clubs and federations. However, if your club has a foundation and is interested in liability coverage for the foundation, please contact ED Tracy at 717-295-7142 or [headquarters@cosmopolitan.org](mailto:headquarters@cosmopolitan.org). When our policy comes due for renewal in Summer 2016, we will then explore adding this coverage to our policy.

### New Member Packets

Effective immediately, new member packets now will be mailed directly to the new member and will no longer be mailed to the club secretary. This means that the new member will receive his or her packet within a few days of mailing, and club secretaries will no longer have to distribute packets.
