## COSMOPOLITAN INTERNATIONAL

THE CLUB THAT FIGHTS DIABETES

### Newsletter

January 7, 2013

As we strive to continue to streamline our processes and work towards efficiencies, the Cosmo Monthly Report written by the CI Executive Committee and Governors will now be posted under CI Resources versus being emailed out. This will be viewable for all our members to see. These will be available the first week of each month. [CLICK HERE](#) to go to the CI Resources page.

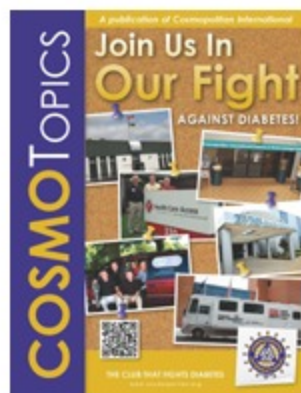

#### DO YOU KNOW ANYONE IN SALINA, KS?

Gary Bartlett and Kevin Harmon met with the director of the Salina Family Healthcare Center in Salina, KS, along with a couple of other staff members to discuss the possibility of starting a Cosmopolitan Cub. They brainstormed how this new club could work hand-in-hand with the clinic. One of the nurses in the meeting had a daughter attend a diabetes camp in Rapid City, SD, sponsored by Cosmopolitan. She was very happy with how her daughter was treated, and how well she responded to being with other kids with the same disease.

#### SPECIAL ISSUE . . . MISSION ACCOMPLISHED!

The Special Issue has been finalized and is to be mailed out from the printer on or about January 4. It is also now available - [CLICK HERE](#).

There is a place on the back cover for Clubs to print a label with their contact information. Sheila Anderson will be doing a template for Clubs to use and will upload that on the website under Member Center > CI Resources.

#### VEGAS OR BUST!

Cosmopolitans have been gathering annually since the early 1900s to celebrate successes and gain more insight about our organization at our International Conventions. Are you making plans to attend year's? This is always a blockbuster event! We will be going to the LVH in Las Vegas ([www.thelvh.com](http://www.thelvh.com)) on August 1 -3. More information will be made available on the website and in the Spring Issue of COSMOTopics. Until then, mark your calendars!
