New Member Packets

Previously, we shared that new member packets now would be mailed directly to new members instead of being mailed to club secretaries. Soon after, we heard from several clubs that this process does not allow the club to welcome the new member in a ceremonious fashion. Therefore, unless your club specifically has requested that packets to go directly to members, we will revert back to sending packets to club secretaries. Headquarters always wants and values your input, so please continue to speak up on matters that matter to you!

Membership Contest

At the Winter Board Meeting held March 4 and 5 in Omaha, the CI board voted unanimously to hold a membership contest on an ongoing basis. Effective April 1, 2016, any Cosmopolitan member who sponsors three new members per quarter (January through March; April through June; July through September; and October through December) will receive a \$100 VISA gift card! Those are big bucks in your hands! Watch for new membership recruitment and retention plans to be unveiled soon.

International Project

The Diabetic Alert Dog International Project, otherwise known as Smooch A Pooch, is led by International Vice President for Fundraising, Rick Swansbro. Rick currently is in the process of revamping the business plan for the project and anticipates rolling it out soon. In the meantime, many clubs are sponsoring their own Diabetic Alert Dog project, which is wonderful! Keep up the great job, and watch for more information on the International Project soon.
