

Kiwanis FFA Livestock Sale History

The Cheyenne Kiwanis Club formed an Agriculture Committee in 1965 to support FFA youth and other related agriculture activities. The Committee created a "Livestock Sale of Champions" that year to provide an avenue for Laramie County FFA youth to sell their market livestock to further their FFA projects and education. The sale has been conducted by the Club each year since, resulting in support for 58 years through the year 2022.

Champions are determined by judging during the Laramie County Fair and the Sale is held on Friday night at the end of Fair Week.

Total Sales = \$3,343,610.03

Total market animals and birds 1846
(beef, hogs and lambs 1,631; birds 162; goats 53)

Currently, the sale includes 5 champion and 5 reserve champion beef, hogs and lambs, a champion and reserve champion goat, a champion pen of chickens, a champion turkey, a champion duck and a champion goose.
