Lorrell Walter: Stars of Tomorrow

Stars of Tomorrow wrapped up this past Saturday with our virtual show. The link to the show is still available and will be for a few more days. We budgeted an \$8,000 loss for Stars this year, but we only spent \$2,000! Thank you to all of the sponsors and everyone that helped.

Renee Brower: Pancake Breakfast

We are on this year for 3 breakfasts! CFD is expecting a larger crowd than usual. She is meeting with the City tomorrow to discuss any adjustments that may be needed due to the Splash Pad that was installed.

Tim Sheppard: Trash to Treasures

Please join us at 9:00am on May 15th to search for treasures along Hynds Boulevard from Vandehei to Horse Creek Road. We'll have coffee, water and donuts along with great fellowship.

And, we'll do the same at Sloans Lake at 9:00am on May 22nd. Here, we can use some sailors to sail the seas--AYE, CAPTAIN!

You can sign up for either event at the next few meetings--we'll send a clipboard around or you can let Pat and Vanna know via an email to coltim3998@msn.com or a phone call to 307.631.5158.

Family and guests always welcome!

Tom Roberts: Friday Food Bag

There will be one final unpacking for the current school year this Saturday, May 1st, 9 a.m., FFBF storeroom at 600 East Carlson, north side of the Element Church.

Rod and Deb Hottle, Darwin Pace, AND President John and Becky Lynch, for helping fill Friday Food Bags on Tuesday, April 27th.

□ **Laura Munari: Membership Drive/Community Service**

April 30 at 6pm at the new Blue World Headquarters, 2401 E Pershing Blvd, we are having a game/puzzle/craft supply drive as well as a membership drive. We will be collecting those items and have also been asked to donate \$10 gift cards to Wal-Mart, Target, Menards type stores for incidentals that places like the Comea Shelter cannot provide for their clients, i.e. extension cords. They asked for them not to be generic, but store specific. We will be sharing these items with the Comea Journeys house and Family Promise, both of which house homeless families. We will also be sharing with the Cheyenne Discipleship Center.

We want everyone to come and bring someone if they can. Blue will give us a tour of their facility and refreshments will be served by our own Fuel Cafe and Chef Kent! Bonus is if everyone could bring someone that might have an interest in joining our club! Even if you can't bring a guest, you are invited to participate in this club event.

You may park by the east side of the building. Upon arrival, please proceed through the front east doors. Since we are gathering after business hours the doors will be locked. A Kiwanis representative will be waiting at the doors to let you in and direct you to the main floor community space.

If you have questions, concerns or plan to attend call Tim Sheppard at 307.631.5158 or email him at coltim3998@msn.com. Or Laura at 307.631.6604.

□ We would like a head count for the caterer, please and thank you!

□ **John Lynch:**

Corporate Sponsor 911 Roofing looked at our roof. They determined we do not need a new roof after all. We are thankful to 911 Roofing for checking that out for us.

VP Renee Brower is busy meeting with CFD and the City to prepare for the pancake breakfasts. She has a meeting tomorrow on-site with the City and CFD to look at how the splash pad will impact how we do things.

John Barnes is busy sending invitations to other clubs so we can host an interclub during CFD. He is in touch with the International President and the Governor, both of whom will be coming to CFD.

The International President and Governor will be coming to CFD. Corporate Sponsor Red Lion is helping us with their lodging. We are thankful to the Red Lion for this.

The person who was in charge of activities for the KI President is no longer in the Club. I'd like to get a committee together to do what she did which includes showing the international president around, putting on a catered club dinner at the warehouse plus getting a large group together for the Melodrama, arranging for a behind the shoots tour and VIP rodeo tickets and airport transportation. If you would be interested in helping with this and/or chairing this, please let me know.

The Stars of Tomorrow Show premiered on Youtube this Saturday. You can still watch it. Becky and I enjoyed it very much. It is as good as (maybe better than) any Stars show we have done despite Covid restrictions and the kids and volunteers had a great time. I would recommend you watch it. It will make you feel proud to be a Kiwanian.
