

The Georgia District of Kiwanis International Tornado Relief Information

We all have seen the devastation that last week's tornados have caused in the mid-west. Our hearts go out to everyone who has been affected with the loss of life and property. There is not a good time for this kind of disaster to happen but it is really bad around this holiday season.

The Georgia District of Kiwanis International extends our sincere sympathies to those who have perished and are praying for those who now have to pick up the mess and start rebuilding again. Many of our Georgia Kiwanians have asked how they as individuals or Clubs can help. At this time we have been notified that there is no physical facilities to hold large deliveries of clothes and other stuffs and that money would be the best way to assist.

If any of our Clubs or individuals would like to make a contribution to assist, the Kentucky-Tennessee District Kiwanis Foundation is collecting funds to distribute to those needy areas. You can send a check to: Kentucky- Tennessee Kiwanis Foundation, PO Box 4327, Lexington, Ky. 40544 and in the note section put "WKY Relief."

Additionally, you can make a contribution to the Salvation Army, American Red Cross or your individual churches disaster relief organization. Thanks to all who have expressed a desire to assist.

Sincerely,

Byron Mullican
