In a few words, tell us why you would like to become a CAL member:

CAL gives away a great deal of money to Bonner County in the form of grants and scholarships. We do that through Bizarre Bazaar, our upscale retail store. In 2022, for example, we gave more than \$200,000—all from store proceeds. Running the shop requires members to volunteer their time in various tasks; this is an expectation of active membership. Is that something you can commit to? If so, how much time per month?

Once your information is entered into the club database, you'll be emailed a password to the club website. The Membership Chair will connect with you soon to give you your New Member Packet.
