

Rotarians help save millions of lives – *in their own communities.*

Since the discovery of blood in Rotary veins, Rotarians worldwide have been donating their blood – an estimated one million Rotary inspired blood donations each year.

We invite all to join the Governors’ Challenge Blood Drives as we team with our own community blood centers to assure a supply of blood in our local hospitals.

*This program doesn’t seek money, just **blood.***

All the Rotary Districts of Colorado, Idaho, Iowa, Kansas, Minnesota, Montana, Nebraska, New Mexico, Oklahoma, Oregon, South Dakota, Texas, Utah, and Wyoming participate in the Challenge. We are expanding throughout North America; we call this The Cowboy Governors’ Challenge

President Kalyan Banerjee learned of The Cowboy Governors’ Challenge and invited all the districts of India –all of which have accepted - and the Cowboys now welcome the Rotarians of India.

The Global Network for Blood Donation, Our Rotarian Action Group leads the effort; welcoming Rotarians and their friends to join the cause.

Our blood stays in our own communities – our ideas are shared freely around the world.
