

# Giving Thanks To Our Fellow Citizens

Last year we gave you the opportunity to purchase these beautiful poinsettia plants for Police, Fire and Military personnel who work in the Portland Metro area and make our lives safer every day. The gesture was so well-received that we want to do it again, but add more deserving folks.

With Prime Minister Don Thacker's theme for the year, "Honor the Past – Prepare for the Future," we want to give thanks to those who serve the elderly, those in hospice, and school teachers who prepare today's children for tomorrow's challenges. If you deliver Meals on Wheels, take a poinsettia to brighten your client's holiday season. At your direction, we'll deliver poinsettias to hospitals and schools.

We also want to honor our first responders and military personnel again by providing local police, fire stations and military recruiting offices with beautiful plants.

Please consider adding an extra plant or two to your order. Let's show those who serve others in our community just how much we think of them.
