Partners in Wellness Opportunities Website Sponsorship Guide

Thank You for your interest in sponsoring this website!

How it Works:

The Havasu Community Health Foundation website can display your logo or ad on its pages.

Since ads are displayed in the side panel, there is a size limitation of a **Maximum of 150 pixels wide**. The height may vary and can be either graphic or text.

You can provide a website address which your ad will hyperlink to. This can be your homepage or any existing page within your site. You can also choose to provide your e-mail address, instead.

Submit an Ad:

To inquire further about submitting a logo or ad and for pricing information, please contact us via email explaining your business and the type of ad you would submit. Ads on our website require Board of Director's approval.

Other Opportunities:

Our weekly Healthbeat electronic newsletter is distributed to about 3,000 email addresses on our list. It features a calendar of the week's support group meetings, stories on upcoming events and health related news of interest.

As a "Partner in Wellness", you are helping support the low-cost health screenings and educational events provided through Havasu Community Health Foundation.
