

Breast Cancer
Awareness Walk
& Fun Run

Honoring Bosom Buddies of Havasu

Early Detection Saves Lives!

Cancer Association of Havasu invites you to participate in the **16th Annual Breast Cancer Awareness Walk & Fun Run**.

Where breast cancer is concerned, early detection has proven to be the best method of providing the greatest chance of survival and available treatment options. When the disease is confined to the breast, the five-year survival rate is over 95%.

Sign up with your friends, form a team, gather pledges to help raise money for mammograms and other cancer-related services in Lake Havasu.

This annual event is a very significant source of funding for our low-cost mammography program.

We urge you to gather pledges over and above your cost of registration. Doing so will enhance the impact you will make by participating in this year's Breast Cancer Awareness Walk and Fun Run. If you need additional space for pledges, a downloadable form is available on our website:
