

# Havasu Community Health Foundation & The Rotary Clubs of Havasu present

Formerly Havasu Stick'em, **The Back to School Health Fair** has some fun changes in store for the 2018 fair, **Saturday, August 4, 2018** (the Saturday before school starts).

Each year our main attractions are:

- Free Immunizations for school aged children
- Free Dental Information
- Vouchers for free sports physicals
- Pet Partners brings therapy animals
- Free Vision Screenings
- Food, Fun & Games!

If your business involves children's health related goods or services we would love to have you join us this year. The fee for a vendor table is \$40 and may be waived for non-profit organizations. We are asking all vendors to decorate their area with bright colors, balloons and other carnival motifs. We are planning a "midway" with space for 10 X 10 pop ups and regular tables lining the walls. *Space for pop-ups is limited and on a first-come, first-served basis.*

The fair is hosted by Havasu Community Health Foundation and the Rotary Clubs of Lake Havasu City. The Mohave County Health Department, Lake Havasu Unified School District and Havasu Regional Medical Center also play important roles in bringing this popular event to the community.

If you are interested in participating this year, or support us financially, please complete the attached form and return it to Havasu Community Health Foundation with your payment. You may also register online at [havasucommunityhealth.org](http://havasucommunityhealth.org).

Please note:

- Health & child related vendors have priority.
- Program book ads are in color, digital artwork must be received by 7/13/18
- Send ad artwork to [janellehchf@frontier.com](mailto:janellehchf@frontier.com)
- Sponsors will receive special recognition in the program book and a free vendor table (if desired). Sponsors who do not wish to utilize their vendor table may donate it to support a non-profit vendor.
- Vendors will receive an instructional email during the week prior to the Back to School Health Fair. If you do not receive this email by August 1st please call our office at 928-453-8190

We look forward to hearing from you!
