

# Breast Cancer Awareness Walk & Fun Run

Dear Friends,

Did you know when breast cancer is detected early, at a localized stage, the survival rate is close to 100%. Once breast cancer has metastasized and spread, the five-year survival rate drops to 22 percent. Regular mammograms help catch breast cancer when it is most treatable! This is why the Cancer Association of Havasu feels it is so important to help all women obtain this life-saving procedure.

We invite you to join us in this worthy cause. On **October 7, 2017** we will hold our **19<sup>th</sup> Annual Breast Cancer Awareness Walk & Fun Run**. Not only do we encourage you to form a group and walk with us to increase awareness, but we offer you an opportunity to financially support this event and the programs of the Cancer Association. Sponsorship opportunities are:

**\$1,500+—Diamond** — Includes 15-person team, banner at kickoff (provided by sponsor), recognition gift, and special recognition in all Cancer Association publications

**\$1,000—Platinum** — Includes 10-person team, banner at kickoff (provided by sponsor) and recognition gift

**\$500—Gold** — Includes 4-person team, banner at kickoff (provided by sponsor) and recognition gift

**\$250—Signature** — Includes 2-person team and recognition gift

**\$100—Sponsor** — Includes 1 walker

For your convenience, we have included a Sponsorship Form on the back of this letter. Walker Registration Brochures, Donation Collection Forms & Event Flyers may be found on our website: [havasucommunityhealth.org](http://havasucommunityhealth.org). You can register and pay online, through the mail or in our office

We look forward to hearing from you and partnering with you to impact our community!
