Dear Friend,

The Havasu Community Health Foundation and Dementia Connection of Havasu have the privilege of presenting Teepa Snow's Positive Approach to Care for the 5th time to our community. Teepa Snow is "today's voice for dementia". She is one of the world's leading advocates and educators for anyone living with dementia.

This event will take place at Shugrue's Bridge View Room on March 7 & 8, 2018. The event proceeds will help Dementia Connection of Havasu continue support and education programs in the Lake Havasu community. Dementia is unfortunately a growing dilemma world-wide and we are so fortunate to be able to bring this quality education to Havasu.

We are offering an opportunity for you to be a part of this endeavor. There are several ways you can join in.
