Dear Friend,

The Havasu Community Health Foundation and the Dementia Connection of Havasu have the privilege of presenting Teepa Snow's "Positive Approach to Care" Dementia conference for the 6th time to our community. Teepa is one of the world's leading advocates and educators for anyone living with dementia.

This event will take place at the Lake Havasu Aquatic Center, Relics and Rods Hall on February 4th and 5th, 2020. The event proceeds will help the Dementia Connection of Havasu continue its support and education programs in the Lake Havasu community. Dementia continues to be a growing dilemma world-wide and until there is a cure, learning to care for this population is paramount. We are excited to be able to bring this quality education to Havasu again!

We are offering an opportunity for you to be a part of the endeavor. There are several ways you can join in.
