Dear Friend,

November is Alzheimer's Awareness month President Ronald Reagan made that designation in 1983 and it is something that is still recognized today. According to the Alzheimer's Association, at that time there were less than two million people with the disease. Through the years that number has grown to more than five million.

Every year we try to bring much needed attention to the need for exercising ~ not only the brain, but the body as well ~ striving for overall health, and to raise awareness of the issues surrounding Alzheimer's disease.

Your sponsorship supports us in our efforts and keeps our services and programs open.

We invite you to join us as a sponsor for the **5th Annual Movin' for Memory Walk on November 2, 2019..**

Form a group and walk with us to increase awareness!

Here is your opportunity to financially support this event and the programs of the Dementia Connection of Havasu. Sponsorship opportunities are:
