

Mobile Crisis Services

If you or someone you know is facing a mental health emergency such as:

- Thoughts of wanting to die, wanting to hurt yourself, or wanting to hurt others
- Increased depression, anxiety, or stress
- Recent experiences of abuse or other trauma
- Difficulty dealing with a recent loss
- Problems related to alcohol or drugs
- Any other sudden emotional distress

Support is available, at no cost, 24/7 through Health Choice Integrated Care's crisis line, operated by Crisis Response Network:

1-877-756-4090

Our trained crisis specialists respond on site, whether in the home, on the streets, or in a hospital, and provide assistance and referrals

Services are free of charge and open to everyone regardless of insurance status

These services are made possible by our partnership with Health Choice Integrated Care (HCIC)
