### **Introduction**

LCWN has a powerful e-Communication tool that will facilitate LCWN activities and correspondence. This guide will show you how to retrieve your password, login, and edit your profile.

### Finding Out Your Username & Password

Go to the club website <u>www.lcwn.net</u> and click on the **Member Login** tab, located at the top right hand side of the homepage. Click on the "**New and existing users:** retrieve login and/or reset password" link.

This will take you to the "Retrieve Login Information" page.

You will be asked to enter your first name, last name, and email address. Click **"Submit"**. You should receive an email with your login information. Click the **"Reset Password Link"** in the email. This will take you back to the website where your user name will appear and you can then reset your password.

Please note that the last name and email address you provided must match what LCWN has on record for security purposes. If you are unable to get your password, please email <u>janelleblain@yahoo.com</u> with your name and it will be emailed to you.
