

District 6650 Student Travel Permission

Travel is permitted with host parents or on Rotary authorized functions with proper adult chaperones. Other travel must be approved by the D6650 Inbound Chair, the host club, and the host family. Students must also have a completed Travel Authorization signed by their natural parents in their file. Students may not travel alone or be accompanied only by other students unless being met on each end by Rotarians or their host families. **All travel must have the permission of the Inbound Chair.** A complete itinerary should be given to the D6650 Inbound Chair and to the club exchange officer. District 6650 has an obligation to be able to reach any inbound student within 24 hours should the need arise. There is no intent to make it difficult for host families to take their exchange students on trips with them. However, it is necessary to keep the Inbound Chair and the club Youth Exchange Chair and/or Club Counselor informed if they plan to be out of town for more than 1 night. If the Inbound Chair is away or unavailable, the information should be provided to the District Chair or Vice-Chair instead. Use of this form is not required for weekend events sponsored or authorized by District 6650.
