- Early prevention of Child Abuse and Neglect.
- Academic support - Homework assistance and tutoring in reading, math, and computer technology.
- Art & Culture Education
- Summer Day Camp
- Social and Life Skills training.
- Family Resource Center to find help.

VISION

Our vision is for the children of incarcerated parents to realize their parent's destiny does not have to be their destiny, and choose not to follow in their parent's footsteps.

DISCLAIMER

It is not the intent of our Executive Board of Directors, Advisory Board, Donors, Staff nor Volunteers to diminish the impact that the crimes committed by the incarcerated parent has made on other families, local businesses or our community as a whole.

We DO NOT condone any action that does not fall within the guidelines of the law!

If you are caring for young children who have a parent that is either currently or was previously incarcerated or if you are struggling to cope with the stress and depression that is associated with caring for those children.
