

### **Not a Member**

Every year there are numerous changes in the HR and Career Services departments. These individuals could benefit from membership in their professional organization. If you know of some individuals new to their position, please let us know and forward this newsletter to them.

The cost to join OASPA and attend the two-day Fall Conference and the one-day Spring Conference has not changed. Annual individual membership dues remain at \$100 (\$200 for institutional membership). The total cost for members to attend **both** conferences continues to be \$300. Your \$400 covers OASPA membership and two conferences.

If you are interested in joining OASPA, contact Michael Rarick at [oaspa.exec.dir@gmail.com](mailto:oaspa.exec.dir@gmail.com)

If you are a Career Services professional, contact Nancy Dugan at [dugan.2@osu.edu](mailto:dugan.2@osu.edu)
